SYNTHETIC SAMPLE - not a real Smile Like Sab event. Created to test Our Legacy imports.
Event recap: Butterfly Spring Raffle (synthetic sample)
The Butterfly Spring Raffle (synthetic sample) was held on April 12, 2025
at the Garden City Community Hall in Garden City, NY.
120 guests attended. We raised $11,850 against a goal of $10,000.
Total expenses were $3,400. Sponsor: Garden City Bakery (synthetic) donated raffle prizes.
What worked: guests especially enjoyed the raffle, and the welcome table helped new guests feel at home.
What did not work: coordinating volunteers was a challenge; 14 volunteers signed up late
and several did not know their roles until the doors opened.
